6. IMPORTANT NOTICE

Please note: in terms of the Scheme Rules, the completed form and relevant supporting documentation (birth certificate/confirmation of birth in an emergency) must be submitted to the Scheme within thirty (30) days of the birth of your child/ren. Bestmed will, however, gladly accept your application if it is made within ninety (90) days of birth, as we understand that your world might be a little upside down with a new addition to your family. If your documentation will only be submitted after the initial thirty (30) day period, please inform the Scheme as soon as possible. This will help us ensure you don't receive any outstanding claim communication for the ninety (90)-day period.

Bestmed can only accept claims for registered dependants. If you want to make a claim for your newborn, you will need to register them first.
