

15 December 2022

Dear valued Member,

BESTMED MEDICAL CENTRES CLOSING

The Bestmed Medical Centres in Welkom, Virginia and Randfontein have been part of Scheme's service offering to members since 2013. Unfortunately, due to a change in member geographics and operational requirements, from the end of December these centres will no longer be managed by Bestmed.

As of Monday, 19 December the centres will no longer be operational. However, we encourage members to continue to make use of the doctor's rooms, situated in the Welkom and Virginia facilities, which will continue to operate in these locations.

As requested by and with permission from the doctors, herewith the contact details of the doctors that are available for consultations at the centres:

Doctor's name	Address	Contact number
Dr Jordaan	325 Stateway, Welkom	083 753 1955 / 0572124765
Dr van der Merwe	325 Stateway, Welkom	064 026 7718 / 060 340 1708
Dr's Welman, Smit & Piso	28 Gardens, Virginia	063 397 6378

We thank you for your loyal support of these centres over the years, and a sincere word of appreciation to the employees who brought Bestmed's *Personally Yours* promise to life at these centres over the years.

Kind regards,

Pieter van Zyl
Chief Operating Officer
