

15 December 2022

Dear valued Member,

BESTMED MEDICAL CENTRES CLOSING

The Bestmed Medical Centres in Welkom, Virginia and Randfontein have been part of Scheme's service offering to members since 2013. Unfortunately, due to a change in member geographics and operational requirements, from the end of December these centres will no longer be managed by Bestmed.

As of Monday, 19 December the centres will no longer be operational.

We thank you for your loyal support of these centres over the years, and a sincere word of appreciation to the employees who brought Bestmed's *Personally Yours* promise to life at these centres over the years.

Kind regards,

Pieter van Zyl
Chief Operating Officer
Bestmed Medical Scheme
