

BENEFIT SUMMARY

BEAT 3 PLUS 2027

bestMed

personally yours

BEAT3 PLUS

BEAT3 PLUS OPTION	HOSPITAL PLAN WITH PERSONAL MEDICAL SAVINGS ACCOUNT (PMSA) AND SELECTED RISK BENEFITS		
Recommended for?	Beat3 Plus is recommended for members looking for generous maternity benefits, extensive in-hospital cover and cover for chronic conditions. The option also offers additional out-of-hospital benefits, and various preventative care benefits.		
Contributions	Principal member	Adult dependant	Child dependant
Risk amount	R4 027	R2 992	R1 491
Personal medical savings account (PMSA)	R1 343	R997	R497
Total monthly contribution	**R5 370**	**R3 989**	**R1 988**

*You pay for a maximum of three children. Any additional children can join as beneficiaries of the Scheme at no additional cost.

Dependants under the age of 24 years are regarded as child dependants.

BEAT3 PLUS OPTION	HOSPITAL PLAN WITH PERSONAL MEDICAL SAVINGS ACCOUNT (PMSA) AND SELECTED RISK BENEFITS
Personal medical savings account (PMSA) / Day-to-day benefits	Personal medical savings account (PMSA) available. Day-to-day benefits are available.
Over-the-counter medicine	Personal medical savings account (PMSA).

Method of benefit payment

Granting of benefits shall be subject to, but not limited to, treatment protocols, funding guidelines, preferred providers (PPs), designated service providers (DSPs), medicine formularies, the MediKredit Reference Price (MMAP) as accepted by the Scheme and general and option-specific exclusions in the registered Rules.

On the Beat3 Plus option in-hospital benefits are paid from Scheme risk. Some day-to-day benefits are paid from the Scheme risk and other services will be paid from the personal medical savings account (PMSA). Some preventative care benefits are available from the Scheme risk benefit.

Benefits relating to conditions that meet the criteria for PMBs will be covered in full when using DSPs. This will not affect your personal medical savings account (PMSA).

In-hospital benefits

Note:

- All members must obtain pre-authorisation for planned procedures at least 14 (fourteen) days before the event. However, in the case of an emergency, you, your representative or the hospital must notify Bestmed of your hospitalisation as soon as possible or on the first working day after admission to hospital.
- Clinical protocols, preferred providers, designated service providers (DSPs), formularies, funding guidelines and the MediKredit Reference Price (MMAP) may apply.

- Any item categorised as a maternity supplement can be claimed up to a maximum of R151 per claim, once a month, for a maximum of 9 months.

Disclaimer: General and option specific exclusions apply. Please refer to www.bestmed.co.za for more details.

Maternity care programme

Finding out you are pregnant comes with a whole lot of emotions, questions and information. Sometimes just knowing where to start and which information you can trust can be a challenge.

Pregnant members and dependants have access to the Maternity care programme. The programme provides comprehensive information and services and was designed with the needs of expectant parents and their support network in mind. We aim to give you support, education and advice through all stages of your pregnancy, the confinement and postnatal (after birth) period.

Members need to register on the Bestmed Maternity care programme as soon as they receive confirmation of their pregnancy by means of a pathology test and/or scan from your GP or gynaecologist. After you complete your registration, a consultant will contact you. If your pregnancy is associated with risks, the information will be forwarded to Bestmed's case managers who will contact you to help monitor your progress.

Please note that registering on the Maternity care programme does not confirm any other maternity benefits nor does it provide authorisation for the delivery as these benefits are subject to the Scheme Rules and underwriting. To enquire about these benefits please contact service@bestmed.co.za.

How to register:

Send an email to **maternity@bestmed.co.za** or call us on **012 472 6797**. Please include your medical scheme number and your expected delivery date in the email.

After registration on the Maternity care programme, you will also receive the Bestmed Maternity care programme registration confirmation letter, indicating all necessary information as stated below:

Our third-party service provider, DLA, will be in contact within the next two to three weeks via email, requesting you to complete a registration form. Keep an eye on your inbox (including the spam folder) for this email. Completing this form will ensure you are registered on their database to ensure you receive maternity information, additional support if the pregnancy is identified as a high-risk pregnancy and a gift on behalf of Bestmed after 14 weeks gestation. DLA will guide you through the process of selecting a gift.

The registration form and gift selection form must be returned to DLA directly. The maternity gift will only be sent after week 14 of your pregnancy.

Registration also provides you with access to a 24-hour medical advice line and benefits through each phase of your pregnancy.

Abbreviations

CDL = Chronic Disease List; DBC = Documentation Based Care (back rehabilitation programme); DSP = Designated Service Provider; GP = General Practitioner or Doctor; HPV = Human Papilloma Virus; MMAP = MediKredit Reference Price; NPWT = Negative pressure wound therapy; PMB = Prescribed Minimum Benefit; PMSA = personal medical savings account; PSA = Prostate Specific Antigen; PMSA = personal medical savings account; RSV = Respiratory syncytial virus.

Bestmed Tempo wellness programme

Note: Completing your Tempo Lifestyle Screening unlocks the other Bestmed Tempo benefits.

The Bestmed Tempo wellness programme is focused on supporting you on your path to improving your health and realising the rewards that come with it. To ensure you achieve this, you will have access to the following benefits:

Tempo Lifestyle Screening for adults (beneficiaries 16 years and older) which includes one of each of the following per annum per adult beneficiary:

- The Tempo lifestyle questionnaire
- Blood pressure check
- Cholesterol check (finger prick)
- Glucose check (finger prick)
- Height and weight measurement

These screenings need to be done at a Tempo network GP, contracted pharmacy, Tempo partner biokineticist, or on-site at participating employer groups.

Bestmed Tempo physical wellbeing and nutrition benefits (beneficiaries 16 and older):

Physical wellbeing

- 1 x (face-to-face) physical health assessment at a Tempo partner biokineticist
- 1 x follow-up (virtual or face-to-face) consult to obtain your personalised exercise plan from the Tempo partner biokineticist

Nutrition

- 1 x (face-to-face) nutrition assessment at a Tempo partner dietitian
- 1 x follow-up (virtual or face-to-face) consult to obtain your personalised healthy-eating plan from the Tempo partner dietitian

In addition to the Tempo physical wellbeing and nutrition benefits, you will also have access to Tempo Wellness Webinars hosted monthly. The webinars are themed around mental health and various other wellness-related topics.

Disclaimer: General and option specific exclusions apply. Please refer to www.bestmed.co.za for more details.

Best Bucks Benefit

What if completing a routine health check unlocked actual funds that pay for your next doctor's visit? Well, with Best Bucks and the Tempo Lifestyle Screening, it does! Here's what you need to know.

WHAT IS BEST BUCKS?

Best Bucks is an additional Bestmed benefit of R1 000 per family that members receive over and above their annual day-to-day and/or savings benefits, and that is used for out-of-hospital claims.

Best of all, all qualifying out-of-hospital claims are paid from your Best Bucks first, before your annual day-to-day and/or savings benefits.

WHICH OUT-OF-HOSPITAL CLAIMS ARE PAID FROM THE BEST BUCKS?

- GP and specialist consultations
- Radiology
- Pathology
- Over-the-counter medicine
- Acute medicine
- Supplementary services such as mental health, dietitians, biokineticists consultations, etc.

HOW DO I UNLOCK MY BEST BUCKS?

To activate this extra benefit, all adult beneficiaries registered on your Bestmed membership must complete their free Tempo Lifestyle Screening at a Tempo network pharmacy, Tempo network GP, Tempo partner dietitian, or Tempo partner biokineticist. The list of service providers can be found on **www.bestmed.co.za** under Tempo wellness programme.

Once the Tempo Lifestyle Screening is done and the results are submitted to Bestmed, your Best Bucks will automatically be activated.

IMPORTANT:

- Claims are paid at 100% Scheme tariff from the Best Bucks.
- Co-payments or shortfalls cannot be paid from the Best Bucks.

Product rules, limits, terms and conditions apply. Where there is a discrepancy between the content provided herein and the Scheme Rules, the Scheme Rules will prevail.
