## 10. UNDERWRITING POLICY

### It is important to note that proof of previous membership may prevent possible waiting periods being imposed:

Bestmed will do NO risk underwriting in respect of staff of participating employers who apply for registration as Principal members within 90 (ninety) days of the date of permanent appointment, marriage or divorce.

The Scheme may impose upon a person in respect of whom an application is made for membership or admission as a Dependant, and who was not a beneficiary of a medical scheme for a period of at least 90 (ninety) days preceding the date of application:

- A general waiting period of up to 3 (three) months;
- A condition-specific waiting period of up to 12 (twelve) months.

The Scheme may impose upon any person in respect of whom an application is made for membership or admission as a Dependant, and who was previously a beneficiary of a medical scheme for a continuous period of up to 24 (twenty-four) months, terminating less than 90 (ninety) days immediately prior to the date of application:

- A condition-specific waiting period of up to 12 (twelve) months, except in respect of any treatment or diagnostic procedures covered within the prescribed minimum benefits; or
- In respect of any person contemplated in this sub-rule, where the previous medical scheme had imposed a general or condition-specific waiting period, and such waiting period had not expired at the time of termination, a general or condition-specific waiting period for the unexpired duration of such waiting period imposed by the former medical scheme.

The Scheme may impose upon any person in respect of whom an application is made for membership or admission as a Dependant, and who was previously a beneficiary of a medical scheme for a continuous period of more than 24 (twenty-four) months, terminating less than 90 (ninety) days immediately prior to the date of application.

- A general waiting period of up to 3 (three) months, except in respect of any treatment or diagnostic procedures covered within the prescribed minimum benefits.

**Bestmed will implement waiting periods and evaluate and/or investigate information and membership in all cases where adverse selection is exercised to obtain specific benefits.**

### Monitor for possible non-disclosure

To exclude the possibility of non-disclosure of material information, for the first 12 months we will monitor membership in the following cases:

- Claims of new beneficiaries with less than 24 months continuous medical scheme membership and with less than 90 days break, immediately prior to date of application.
- When an application is made for membership or admission for a person who was not a beneficiary of a medical scheme for a period of at least 90 (ninety) days preceding the date of application.

In accordance with the Medical Schemes Act, we implore new applicants to disclose true and complete information to the Scheme. It is always better to disclose too much than too little.

Please note that if membership is subject to the above-mentioned 12-month monitor period, the Scheme may request additional medical history upon receiving a claim and/or a request for authorisation.

In this case, the Scheme will only confirm benefits once it is satisfied with the additional information received.

### Late Joiner Penalty (in terms of Regulation 131 of the Medical Schemes Act (Act 131 of 1998))

Late joiner penalties can be imposed on beneficiaries over the age of 35. Depending on the number of years the beneficiary did not belong to a medical scheme, a late joiner penalty will be added to the members monthly risk contribution. The penalty is calculated on a sliding scale as shown in the table below, based on the total number of years from age 35 being effective 1 April 2001, where a beneficiary did not belong to a medical scheme

Number of years since age 35 where applicant was not a member of a medical scheme	Penalty
1 - 4 years	0.05 x risk contribution
5 - 14 years	0.25 x risk contribution
15 - 24 years	0.50 x risk contribution
25+ years	0.75 x risk contribution
