

A photograph of a man and a young boy fishing by a lake. The man, wearing glasses and a light blue shirt, is helping the boy, who is wearing a green shirt and red pants, hold a fishing rod. They are standing on a grassy bank with reeds in the foreground. The background shows a calm lake and a line of trees under a bright, hazy sky with soft sunlight filtering through the trees on the left. Two text boxes are overlaid on the image: a blue box on the left containing the title and an orange box on the right containing the name.

Benefit Summary 2020

PACE3

PACE3 OPTION

COMPREHENSIVE COVER (IN- AND OUT-OF-HOSPITAL)

Recommended for?

You are a mature family with a diverse range of medical needs. As much as you live by the rule that prevention is better than cure you still require comprehensive chronic benefits and excellent hospital cover. The Pace3 option ensures that you can rest easy and know that your family is well covered.

Contribution range

R6 390 - Principal member
R5 144 - Adult dependant
R1 099 - Child dependant

Savings account/Day-to-day benefits

Savings account available.
Day-to-day benefits are available.

Value benefits

No co-payment or automatic self-payment gaps.
Family Practitioner (FP) and Specialist consultations.
Optometry.
Dentistry.
Maternity benefits.

Over-the-counter medicine

Available.

Not recommended for?

Young individuals or couples without families will find more value on the Beat range. Also young families needing below the norm cover will find value on Beat3, Pace1, Beat4 and Pace2.

⚙️ Method of benefit payment

On the Pace3 option in-hospital services are paid from the Scheme risk. Some out-of-hospital services are paid from the annual savings (savings) first and once depleted will be paid from the day-to-day benefit. Once the day-to-day benefit is depleted, services can be paid from the available vested savings. Some preventative care services are available from the Scheme risk benefit.

Benefits relating to conditions that meet the criteria for PMBs will be covered in full when using DSPs, this will not affect your savings (annual or vested).

⛶ In-hospital benefits

Note:

- All in-hospital benefits referred to in the section below require pre-authorisation.
- Clinical protocols, preferred providers, designated service providers (DSPs), formularies, funding guidelines and the Mediscor Reference Price (MRP) may apply.

We always
strive to
exceed your
expectations.

Out-of-hospital benefits

Note:

- Some indicated benefits are paid from the annual savings at 100% Scheme tariff. Once the annual savings account is depleted benefits will be paid from Scheme risk at 100% Scheme tariff (limits apply).
- Should you not use all of the funds available in your savings account these funds will be transferred into a vested savings account after 5 months and will remain your property and also accumulate to your credit.
- Any vested credit in your vested savings account may be used for out-of-hospital expenses that are not covered by the Scheme, or should you, for instance, have reached your out-of-hospital or day-to-day overall annual limit or the sub-limits as indicated in your benefit guide.
- Clinical funding protocols, preferred providers, designated service providers (DSPs), formularies, funding guidelines and the Mediscor Reference Price (MRP) may apply.
- If you have a treatment plan for a registered Chronic Disease List (CDL) and/or Prescribed Minimum Benefit (PMB) condition/s, the services in the treatment plan will pay from the applicable day-to-day limit first. Once the limit is depleted, claims will continue to be paid from Scheme risk, up to the maximum quantity specified in the treatment plan.

MEDICAL EVENT	SCHEME BENEFIT
Overall day-to-day limit	M = R18 321, M1+ = R37 863.

Midwife-assisted births are covered at 100% of Scheme tariff on all Pace options.

Maternity Care programme

Finding out you are pregnant comes with a whole lot of emotions, questions and information. Sometimes just knowing where to start and which information you can trust can be a challenge.

Pregnant members and dependants have access to the Maternity Care programme. The programme provides comprehensive information and services and was designed with the needs of expectant parents and their support network in mind. We aim to give you support, education and advice through all stages of your pregnancy, the confinement and postnatal (after birth) period.

After registering on this programme and going for a Health Risk Assessment (HRA) you will receive:

- A welcome pack containing an informative pregnancy book about the stages of pregnancy.
- Discount vouchers.
- A beautiful baby bag. (Sent by month 5 of your pregnancy. You will receive an SMS.)
- Various baby items.
- Access to a 24-hour medical advice line.
- Benefits through each phase of your pregnancy.

How to register:

Send an e-mail to maternity@bestmed.co.za or call us on 012 472 6243. Please include your contact details (postal/delivery addresses), your medical scheme number and your expected delivery date in the e-mail. Go for a Health Risk Assessment (HRA) at any network pharmacy to finalise your registration.

Preventative dentistry

Note:
